

1 The minute order of October 3, 2024, provides that any sentencing memoranda shall be  
2 filed no later than December 12, 2024. Defense counsel requests that the sentencing memoranda  
3 deadline be continued to December 19, 2024, as he needs additional time to obtain information  
4 concerning the client's medical issues, and because he will be in Fresno meeting with a death  
5 penalty client on December 12, 2024. In light of this, the government, on behalf of Assistant  
6 United States Attorney Emily G. Sauvageau, and the defendant, represented by attorney Timothy  
7 E. Warriner, hereby stipulate and agree that the date for filing sentencing memoranda be  
8 continued to on or by December 19, 2024.
